VACCELERATE is the European vaccine research network dedicated to accelerate clinical trials and support pandemic preparedness initiatives.

We are pleased to invite you to the VACCELERATE Showcase Event hosted by the Project Coordinator Prof. Dr. Oliver A. Cornely.

This event will celebrate the successful conclusion of our journey and present a comprehensive overview of key milestones, highlights and results achieved throughout the project that will last beyond the funding period.

**Thursday, 23 January 2025  
10.00-11.00 CET**

**Free registration:**
